

## ***Correction: Effect of the pigment-free optical zone diameter of decorative tinted soft contact lenses on visual function***

---

Jung JW, Kim SM, Han SH, *et al.* Effect of the pigment-free optical zone diameter of decorative tinted soft contact lenses on visual function. *Br J Ophthalmol* 2016;100:633–37.

In the Funding statement, the grant number is incorrect. “Yonsei University College of Medicine for 2014 (6-2014-0036).” should read “Yonsei University College of Medicine for 2014 (6-2014-0159).”

*Br J Ophthalmol* 2016;100:1016. doi:10.1136/bjophthalmol-2015-306731corr1
