

Contents

Editorial: Abnormal PERG *page 165*

Significance of abnormal pattern electroretinography in anterior visual pathway dysfunction G E HOLDER *page 166*

Intracranial extension of choroidal melanoma via the optic nerve C LALLY SHIELDS, JERRY A SHIELDS, DAVID L YARIAN, AND JAMES J AUGSBURGER *page 172*

Intraocular pressure during cardiopulmonary bypass D F P LARKIN, P CONNOLLY, J B MAGNER, A E WOOD, AND P EUSTACE *page 177*

Pressure compliance of the optic nerve head in low tension glaucoma L E PILLUNAT, R STODTMEISTER, AND I WILMANN *page 181*

Laser trabeculoplasty as supplementary treatment for primary open angle glaucoma MARK B SHERWOOD, JOHN LATTIMER, AND ROGER A HITCHINGS *page 188*

Use of contrast sensitivity measurement in the detection of subclinical ethambutol toxic optic neuropathy J F SALMON, T R CARMICHAEL, AND N H WELSH *page 192*

Basal iridectomy at 6 o'clock in the aphakic eye treated with silicone oil: prevention of keratopathy and secondary glaucoma W H BEEKHUIS, F ANDO, R ŽIVOJNOVIĆ, D A E MERTENS, AND E PEPEKAMP *page 197*

Microcornea associated with retinopathy of prematurity S P KELLY AND A R FIELDER *page 201*

Congenital horizontal tarsal kink: a simple surgical correction N C PRICE AND J R O COLLIN *page 204*

Corneal thickness, astigmatism, and atopy MALCOLM G KERR MUIR, E GEOFFREY WOODWARD, AND TIMOTHY J K LEONARD *page 207*

Comparison of aqueous humour and serum zinc levels in humans ALBERT R ANDERSON, PETER R KASTL, AND ZEYNEL A KARCIOGLU *page 212*

Modern cataract surgery in a highly myopic population K A GROSS AND J L PEARCE *page 215*

Bietti's tapetoretinal degeneration with marginal corneal dystrophy (crystalline retinopathy): case report ROSALIND J HARRISON, R RONALD ACHESON, AND J CHRISTOPHER DEAN-HART *page 220*

Lipofuscin and melanin content of the retinal pigment epithelium in a case of Sjögren-Larsson syndrome SVEN ERIK G NILSSON AND STEN JAGELL *page 224*

Congenital iris cysts RICHARD D GRUTZMACHER, THOMAS D LINDQUIST, MARK E CHITTUM, ANN H BUNT-MILAM, AND ROBERT E KALINA *page 227*

Ophthalmic manifestations of neurofibromatosis SUSAN HUSON, DYLAN JONES, AND LYN BECK *page 235*

Topical steroid, cyclosporin A, and the outcome of rat corneal allografts K A WILLIAMS, S A ERICKSON, AND D J COSTER *page 239*

Book reviews *page 243*

Notes *page 244*

Correction *page 244*
