4th International Symposium on Ocular Circulation and Neovascularisation

European Strabismological Association
The 22nd meeting of the European Strabismological Association (ESA) will be held in St John's College, Cambridge, UK on 6–8 September 1995. Application papers, including abstract forms, can be obtained from: Mr J S Elston, MD, FRCS, Oxford Eye Hospital, Radcliffe Infirmary, Woodstock Road, Oxford OX2 6HE, UK.

International Society for Clinical Electrophysiology of Vision
The 33rd ISCEV symposium will be held in Athens, Greece, 16–20 June 1995. The congress is organised by the International Society for Clinical Electrophysiology of Vision. Further details: Secretariat, Erasmus Conference Centre, International Congress Organisers, 227 Kifissias Ave, 145 61 Kifissia, Greece. (Tel: (01) 6125022/3, 8054004; Fax: (01) 6125021.)

The Jules François Prize, 1997
The Jules François Prize of the Belgian ophthalmological societies of $US 10 000 will be awarded for the sixth time in 1997 to a young scientist who has made an important contribution to ophthalmology. The aim of the prize is to encourage scientific research in ophthalmology. There is no special theme. Fundamental as well as clinical research will be considered. The age limit is 40 years by 31 December 1995. The application: a curriculum vitae, and three copies of published papers must be forwarded to the secretary of the Jules François Foundation. The closing date for applications is 31 December 1995. Further details: Dr J D’Haenens, Secretary of the Jules François Foundation, E Beernaertstraat 34, B-8400 Oostende, Belgium.

Correction
We regret that there was an authors’ error in the letter from Ahmad et al that appeared in the February issue of the journal (1994; 78: 159). The sequence for the forward PCR primer was incorrect. It should read as follows: 5’-TAGCATAAAGTAAGTCATCG-3’ (forward primer).
