

Supplementary Table 1.

CJE20	Phakoemulsification with implantation of artificial lens in posterior chamber
CJE40	Phakoemulsification with implantation of scleral fixed artificial lens in posterior chamber
CJE15	Extracapsular cataract operations using phakoemulsification technique
CJE99	Other extracapsular cataract operation using phakoemulsification technique
CJC15	Intracapsular cataract extraction with implantation of artificial lens in anterior chamber and iridectomy or iridotomy
CJC40	Intracapsular cataract extraction with implantation of scleral fixed artificial lens in posterior chamber
CJC99	Other intracapsular cataract operation
CJD20	Extracapsular cataract extraction with implantation of artificial lens in posterior chamber
CJD30	Pars plana lensectomy
CJD99	Other extracapsular cataract operations
CJD40	Extracapsular cataract extraction with implantation of scleral fixed artificial lens in posterior chamber
CJD15	Extracapsular cataract extraction with implantation of artificial lens in anterior chamber and iridectomy or iridotomy
ZXA0	Right eye
ZXA05	Left eye
ZXA10	Both eyes
CKD60	Anterior vitrectomy
CKD64	Pars plana vitrectomy
CKD91	Extended vitrectomy through pars plana
CKD94	Combined vitrectomy and procedure on lens through pars plana
CKD95	Extended combined vitrectomy and lens procedure through pars plana
H44.0	Endophthalmitis purulenta
H44.1	Endophthalmitis
H45.1	Endophthalmitis in morbis alibi classificatis
